

Job Posting Reference #: P.2023.19

Lennox and Addington County General Hospital S.E.I.U Local 1, Canada – Paramedical

Registered Technologist – Echocardiographer - Part-Time Vacancy

Area of Assignment: Diagnostic Imaging

Basic Function and Scope:

As a member of the interdisciplinary health care team the incumbent is responsible for coordinating, performing and evaluating cardiac diagnostic imaging services based on the standards of practice of CMRITO, CorHealth Ontario, Sonography Canada, and The American Registry of Diagnostic Medical Sonography.

Hours of Work: Rotating shifts (days, evenings, nights, and weekends) as required.

Pay Rate: Will be in accordance with the Wage Scale of the S.E.I.U. Local 1 Canada, Paramedical Unit Collective Agreement, classification of Registered Technologist - Echocardiographer.

Qualifications:

Education:

- Graduate of a recognized Diagnostic Medical Sonography program accredited by Sonography Canada, the American Registry of Diagnostic Medical Sonography or equivalent.
- Evidence of continuing education in echocardiography.

Registration:

- Current ARDMS (RDMS) and/or Sonography Canada (CRCS) – cardiac certification required.
- Current CMRITO registration.

Experience:

- Preference to candidates with a minimum of one year recent experience preferably in a hospital setting.

Required Skills:

- Excellent customer service skills with sensitivity to needs of multicultural clientele;
- Capable of working independently;
- Evidence of ongoing education, in accordance with Sonography Canada and/or ARDMS requirement;
- Working knowledge of Hospital Information Systems and Microsoft Office;
- Ability to prioritize urgent care needs and work as a member of a team to support efficient workflow within the department and with other departments within the hospital;
- Must have previous good performance and attendance record;
- Demonstrates a commitment to a healthy and safe workplace for self and others (staff, patients and families) by taking all reasonable precautions
